

[I-Corps Overview Video- Phase 0](#) [1]

Title:

I-Corps Overview

Video

[2]

Description:

The NASA I-Corps program—which is open to Phase I awardees—enables small businesses, including start-up firms, to increase the odds of accelerating the process of developing their SBIR/STTR technologies into a repeatable and scalable business model. Learn more about I-Corps by watching this video from 2019 Innovation & Opportunity Conference.

- 0:00 mins - Why I-Corps™??
- 2:30 mins - NASA I-Corps Purpose
- 4:50 mins - Hear about I-Corps from one of the Alumni (Slide 4) (video embedded)
- 8:50 mins - Final notes about how to apply
